## A DAILY FIRING LINE

The SOUTHERN MERCHANTS' CONVENTION will meet in this city for the two weeks starting August 4th.

There will be about five thousand southern merchants here at that time as guests of Atianta Merchants \& Manufacturers Association.

Every Atlanta traveling salesman will be in town to receive these guests and give them a royal good time.

This means about 7,500 visitors in the city who will be out to spend money.

## THE DAILY CONSIITUTION FIRING LINE

will be issued first on Tuesday, August 5th, and will continue throughout the convention.

It will carry the full news of the convention from day to day. All the "inside dope" together with the names of those present and thousands of snappy personal
items will appear in these columns. items will appear in these columns.

Every merchant will read it during the only leisure hours of his day-in the morning before the convention is called to order.

It will be an ideal medium through which the Atlanta manufacturess, wholesalers and retailers, may advertise the goods they have to offer to their merchant guests.

If you have goods to show which are worthy of the attention of these wise buyers, let us have your copy early.

Look for the complete report of each day's convention doings in the
