More Than 700 Corpses Have Been Taken From the River and From the Hull of Capsized Steamer Eastland.

UNDER SEARCHLIGHTS MEN WORK IN THE HULL TO REMOVE THE BODIES

Several Persons Found Alive After Ship Had Lain at River Bottom for Hours. Baby Girl Is Found by the Divers-Cause of Accident Not Yet Determined-The Eastland's Design Said to Have Been Faulty.

Chicago, July 24.- A thousand perons lost their lives in the Chicago river today by the capsizing of the exsteamer Eastland while warn from its wharf with more than 2.400, employees of the Western Elec ric company and their relatives and riends on board, bound for a pleasur in across Lake Michigan.

After working ceaselessly all day nd far into the night, the bodies of 42 victims of the catastrophe, most of women and children, were col cted in temporary morgues and taken to the Second regiment armory. When these bodies had been tagged, Coroner Hoffman, taking into consideration ea imates of bodies thought to be in the old of the steamer, lying on its side in the river, and in the stream itself, said he had hopes that the total dead

would not exceed 1,000. IN FIVE MINUTES.

The Eastland, said by marine archi tects to have been top-heavy and ballasted in an uncertain manner, turned over inside of five minutes after it began to list, pouring its gala passeners into the river, or imprisoning them in its submerged hull.

Every effort was made by thousands f persons on the river wharf to rescue be drowning men, women and children, ut many wont down almost within rasp of the river bank. Mothers went doubt while their children were asp of the river bank. Mothers went death while their children were natched to safety. Other children died a the arms of their parents who finally ere' saved. Hundreds of girls freed for a day from their tasks of making hones and other electrical appa Electric company, dressed in their martest, white frocks, drowned miger-

PALL OF SORROW OVER WEST SIDE.

A pall of sorrow hung tonight over the entire West Side of Chicago, where the majority of the victims lived. Kolin avenue, a small street nee

Announcement That President Has Called for Reports on National Defense Causes Widespread Comment

PRESIDENT IS PLANNING FOR PERMANENT POLICY

Indicated in Official Quarters That Plans Are to Be Expedited Because of Possibilities of International Situation.

Washington, July 24.-Announcemen the white house today that Presi-Wilson had directed Secretaries Sarrison and Daniels to report to him program of national defense caused

ecks ago the president dis the result that both department gan preparation of plans to meet an nergency and also to establish a ermanent policy for adequate nationa

No Reason for Announcement The white house statement gave no eason for the announcement, stating aerely that the president would confe

his return from Cornish, N. H., with cretaries Daniels and Garrison "to mulate a same, reasonable and prac-al program of national defense." t was indicated, however, in officia arters that the determination to ex-lite the plans being made resulter m a consideration of the possibilities the intermedianel situation. international situation the white house follows

"The president has been considering every phase of the matter of nationa defense and intends immediately on hit return to Washington to confer with the secretary of war and the secretary of the navy, his purpose being to pro-cure information on which he can form-ulate a same, reasonable and practical program of national defense."

ite a sane, reasonable and practical ogram of national defense." **Possibility of Extra Session.** The president, in letters to Scoretaries rrison and Daniels early last week ling for the reports made no refer-be to any particular situation, but make the importance of the entire older of national defense. He wishes make the navy as efficient as any in world; to see the regular army ade-ately developed and equipped and the tearly developed and regular army ade-ately developed and regular army ad-ately developed and the score and the score several weeks Scoretary Garri-i has been in conference with men-es of the general staff shaping plans presentation to the president. The hear board of the navy abandoned usual summer trip to Newport and preparing its recommendations for retary Daniels. The president is that the influence of the adminis-tion will be exerted to secure ade-tic appropriations. fr. Wilson has not indicated wheth-he will call congress into special sion. This depends largely on de-Washington, July 24 .--- Orders ssued today with the President Wilson to Major General unstan to repel with force if neces luring fighting between the Mexical factions in border towns, and a not was dispatched to General Carranza ad-

vising him of that fact. Soon afterward advices from Ver-Cruz to the Carranza headquarters her said the general had instructed Gen said the general had instructed Gen-eral Calles, his commander before No-gales, not to attack the Villa forces there, and gave assurances that the Carranza forces, which have occupied Naco, would withdraw, leaving a civil administration in charge. The garrison arched out late today. What threatened a new complication

a the Mexican situation apparently assed over with officials here deter-need to take drastic action if the Mex-cans force the fighting. The specific nethod of repelling any possible : ack was not mentioned in the note

Mr. Wilson has how bon the special er he will call congress into special session. This depends largely on de velopments in the international situa tion. The dispatch to Germany of what is generally regarded as the stronges note yet written to any of the Fu Carranza, but the inference was t American artillery would deal with dituation construed as an attack The dispatch to Germany of What merally regarded as the stronges yet written to any of the Eu n beligerents has accentuated th billy of a special session in ever ican rights again are violated b an submarine commanders. merican citizens. Carranza Heeded Warning

meetic instructions to General Fun owere directed to resist border at a immediately without referring question further to Washington. Millions for Preparedne

General Carranza apparently mediate heed to the warning. atch received from him by his agency atch received from him by his agency lerc] late today stated he had instruct-id his troops to discontinue their march on Nogales. The state department has had the lorden situation under consideration or several days. The Villa and Car-anza agencles here have each held the ther responsible for the violation of the agreement to neutralize border 600. artment plans look toward ment of a large reserve a minimum, it is said, of a and with adequale provi-he use of the militia and

and fair means only. Pride in the maintenance of a high standard of Quality—in a repu-tation for Reliability—DEPEND-ABILITY—and "the Square Deal" at all times. The B. F. Goodrich Co. has been making history in the Rubber Industry, for more than 45 years. It has always been the Leader! It has almost never had a "Boom," or the reaction that fol-lows Boom. It has been Conservative in all

It has been *Conservative* in all its moves—never Experimenting at its Customers' Expense, yet never lagging behind *first* place in the Procession.

It has been the Pioneer in It has been the Pioneer in marly all great Improvements made in the Working of Rubber. And, it has grown steadily, survey, as well as stupendously, until the largest Rubber Factory in the World today, is that of The B. F. Goodrich Co. at Akron, O. The Operations of this Factory

The Operations of this Factory require, and utilize, more than 75 Acres of Floor Space, and The B. F. Goodrich Co. frequently employs more than 15,000 people.

TO other Rubber Factory in the World buys so much Crude Rubber, manufacturing as it does more than 90,000,000 lbs. of Rubber Goods

yearly. It pays one-sixth of all the Taxes in the City of Akron, which City has 15 other Rubber Concerns, and more

The Number Concerns, and more than 100,000 Population.
Some of its "White Anchor"
Fire Hose, made 'way back in 1884 (30 years ago), is still doing good service, because of the Precision Principle and Quality Ambition that lie behind all Coodrich Construction behind all Goodrich Co. products. Every day in the year, on aver-age, the operations of The B. F. Goodrich Co. result in its receiving more than 30,000 pieces of Mail, and more than 350 Telegrams.

Departments and the 21 kinds of Rubber Tires it makes exclusive of the "Goodrick Safety" Tread Auto

-A Hard Rubber Dept. that alone employs more than 500 men. All this in addition to its other

THIS Volume of Rubber Buying, Manufacturing and Selling, with the corresponding reduction of Over-head Expense when divided over so many classes, is what gives to the Goodrich Factory the lowest Cost for Tire Manufacturing of the highest Grade. highest Grade.

The Responsibility to so many lines of Dealers and Consumers, in so many lines of Trade, is what makes it so *zeolous* in guarding the Quality and Value of each Product that here the Conduct that bears the *Goodrich* name—so slow to launch new things *until* thoroughly tested—so keen to make Success sure and continuous, rather than dramatic and transient. And of all these Goodrich'

Products, that which best expresses the measure of our capacity, our Experience and Good-faith is the Goodrich Safety-Tread Tire.

It does this through giving the greatest Mileage and Resilience in the field, at the fairest Cost, per Mile, to Users.

0

WHEN you Test these Goodrich Safety-Tread Tires, and compare, with others of considerably higher, price, you will then understand our Pride in Goodrich Standards and

The lovely campus of twenty-eight acres, with its flowers, shubbery and stately forest trees, affords a delight-ful home environment of security, comfort and quiet for the pursuit of study, and ideal facilities for recreation and outdoor sports. With an elevation of 1,100 feet above the sea, a delightful winter elimate, dormitories and class rooms equipped with modern conveniences, the health record of the Institution is unsurpassed in all America. The absolute freedom from malarial diseases has attracted a large nationase from the lower South since before the a large patronage from the lower South since before the Civil War.

To these natural advantages the city of Atlanta adds.unparalleled opportunities to profit by contact and acquaintance with the world's great leaders of thought and action. No other city in all the South approaches Atlanta in its power to attract the world's greatlecturers, statesmen, authors, educators, theologians, artists, sing-ers and musicians. By special arrangement many of these are introduced from the College platform and all are accessible to Cox students at a minimum of expense.

The course of study is that of A Grade colleges, supplemented by elective courses in Piano, Voice, Violin, Theory, Harmony, Counterpoint, Oratory, Drawing and Painting, Domestic Science (Cooking, Dressmaking and Millinery). Stenjography and Typewriting. The schedule of work is arranged to give the greatest flexibility to the curriculum, and the individual requirements and talents of the student are made the basis for the selection of her studies. The tuition frees and college expenses are remarkably low, it being the policy of the College to

the questions are disposed of some through the railfcation of new wage compacts. Bankers Ponder World Finance. Some of the most skillful bankers in the land are giving carnest study to the probable effect of the huge war loan upon the investment markets of the world. Thus far the five chief belligerents have borrowed siz,200,000,000 to carry on the war. Neutral countries, whose business has been largely ruinded by the war and the complications which have resulted from it, have borrowed heavily, too. Great Britain's huge borrowed heavily borrowed heavily, too different the war be portaoited so the conflict a good deal further would be required by the combination is set and the time that the new loans were brought dupon what conditions set is getting between the large trade or the shut downs which from the large trade vices freat activity at the ship, and, so which absence of the shut downs which are often reported in various industries at this season of the year. The steel great activity at the ship, and, with absence of the shut downs which are often reported in various industries at this season of the year. The steel great activity at the ship, and, been for months past, with good foreign orders. There is no inclination were to be farming for one tor the farme for the state

SMALL TRUCK FARM, on Brown's Mill Road, running through to Jonesboro Road, six-room house in perfect condition. This is an ideal suburban home. Three-fourths mile from the city limits and 200 yards from the car line. One look at this will sell it. Truck enough is being raised to make a good living. Will sell on extremely easy terms or exchange for other property.
