"I thought I had a good tenant for my pretty country place, just-an hour's ride from Atlanta, but the family that took the place moved out last week, after just a munth's stay, and here it is on my hands, a dead loss, while my people are at the shore."

"Never mind. Toh," said his friend Harry, "just do as I did when I had the same experience last year. I simply ran "a little Journal Want Ad once, and I got a fine ter-ant who took my place the rest, of the Summer, and has it this year again."

This experience is not un-common, for The Journal Want Coumns are universally recognized as the best means of renting real estate of all kinds.
